RULES AND REGULATIONS REGARDING THE SHOW AND QUALIFIERS

AHS CLASSES

Pure-bred Arab Youngstock classes (1, 2 and 3 year olds). These classes can be amalgamated or split according to age, depending on the number of entries.

Adult classes Wherever possible mares, stallions and geldings should be judged separately.

Mares – where possible, classes could be split between barren mares or broodmares (with a foal at foot or a current covering certificate). If there is a foal class, this should be judged (with the dam present) immediately after the broodmare class and preferably, immediately before any Championship in which the dam is likely to be present. The foal would accompany its mother in a Championship.

Pure-bred Ridden Classes Show organisers could have one class for stallions, mares and geldings or they could split classes by sex.

Anglo and Part-bred Arabs In Hand Classes Classes can be split by height and, in the case of youngstock, by the expected height at maturity. For example a class for ‘one, two and three year olds not expected to exceed 148cm at maturity’ and a separate class for ‘one, two and three year olds expected to exceed 148cm at maturity.’ Adult classes can also be split by height and age.

All Classes - If sufficient entries are anticipated, classes could be further split between sexes and age groups

Pre Novice Ridden Classes

Pre Novice Ridden Horses must be 4 years old and over and will be judged as a riding horse. The judge will NOT ride. A short individual show will be required. 4 year olds to wear ordinary snaffle bridle and bit. A Pre Novice horse is one that has not been placed first more than two times at an affiliated show. Horses entered in Pre Novice classes may not enter open classes at the same show. Pre Novice classes are not qualifiers for any championships.

Being placed first in a Pre Novice class does not change the Novice status of a horse. Spurs will not be worn in Novice or Pre Novice classes.

Part-bred Arab horses or ponies must have a minimum of 12.5% of Arab blood. The percentage is normally shown on the registration certificate, but should you encounter problems, please contact the office of The Arab Horse Society. Anglo Arabs carry the blood of Arab and Thoroughbred only and in any proportion.

Exhibits should enter the ring at a walk and in a manner that does not disturb the other exhibits and proceed around the ring in walk until given further instructions by the ring steward. Outside assistance and attempting to influence the behaviour of exhibits in the ring is strictly forbidden.

All horses forward MUST be shown in a natural manner. The pose must be natural, i.e. one fore leg slightly behind the other and one hind leg slightly behind the other. The head should be held with the neck showing natural arch and curve of throat line, so that the neck is not uncomfortably stretched or raised. The horse should be trained to stand sensibly in this position with expression of interest in the handler. A frozen pose is unacceptable.

Any unnatural posing, flicking with a whip or circling when being run out, will result, at the Judge’s discretion, in the horse being judged as though no presentation or display had been possible and therefore penalized accordingly.

We recommend that judges of our classes penalise uncontrolled or bad behaviour by the horse as temperament and trainability is essential in a performance breed. Any horse behaving in a dangerous manner which could threaten the safety of other competitors or spectators may be asked to leave the ring at the judge’s discretion. Horses asked to leave the ring will be disqualified.

Whips must be no more than 100cm in length. Halters can be traditional or modern as long as they are comfortable for the horse.

Handlers dress must be neat and tidy, traditional or modern showing clothing is acceptable.

DEFINITION OF AMATEUR STATUS FOR CLASSES 12,13, 15, 16 & 17

- a. Handler or Rider not to have been paid for showing or producing any horse for a third party, this includes any remuneration either as employment, casual showing, or any in-kind benefits whatsoever within the last 36 months.
- b. Horse not to have resided on a professional yard on show or training livery in current year. DIY and minimal assisted livery is excluded.
- c. Horse not to have been shown by a professional handler or rider in current year.
- d. Horse not to have received regular training from a professional in current year.

THE UK ARABIAN IN HAND AWARDS

At this show, points can be gained for the UK In Hand Awards. Cards must be signed by the judge.

A points-earning, year-long competition for members who wish to show in non-ECAHO classes and to encourage them to undertake more shows with their registered horses, in order to:

1. Encourage more people into the breed through exposure to the breed at shows where there may not be a natural interest in Pure/PB/Anglo/High Percentage Arabian horses.
2. To offer recognition to those who show their horses to a wide audience and achieve good results therefore acting as good ambassadors for the breed.
3. Encourage new owners to get involved in showing.
4. Offer a competition to the newly created High Percentage Part Bred category.

The UK Arabian In Hand Awards are presented in the main ring at the British National Championships each summer.
